Please retain this Achievement Award form with your files until applying for the Certified Purchasing Manager (C.P.M.) recertification or the Accredited Purchasing Practitioner (A.P.P.) re-accreditation. Please contact ISM at 800-888-6276 if you would like more information about either the C.P.M. or A.P.P. programs.

Continuing education hours are earned by attending events such as seminars, conferences or affiliate pre/post dinner meetings. For all events more than one hour, add the entire number of educational time attended to determine the number of continuing education hours earned. Count conference sessions and pre/post dinner meetings as single events and add the entire number of educational hours attended to determine the number of continuing education hours earned for those events.

Note: When completing an application for C.P.M. recertification you can determine the number of C.P.M. points earned by adding together all continuing education hours and dividing by seven. CEU 31 March 08.doc
